Appendix 1.

Monitoring Tool for Ambulatory							
Date, time of monitoring							
The responsible organization for monitoring/ responsible person(s)							
Data on ambulatory care							
Name of ambulatory							
Catchment area							
Number of population							
Number of patients served by the ambulatory							
Data on patients							
Age	3-18		18-65			65 and above	
Gender	Female			male			
Diagnoses	F00-F09	F20-F29	F30-F39	F43	F70-79	F80-89	F90-98
Number of visits							
Number of patients served during the previous year							
Number of office visits per month							
Number of home visits per month							
Number of new cases in the last year							
Data on staff							
Number of staff members							
Number of psychiatrists							
Number of other physicians (please specify)							
Number of nurses							
Number of psychologists							
Number of social workers							
Others (please specify)							
Budget distribution							
Total budget							
Medications (% of the total budget)							
Salary of a psychiatrist							
Salary of a nurse							
Salary of a psychologist							
Salary of a social worker							
Others (please specify)							

Appendix 2.

Monitoring Tool for Mobile Group							
Date, time of monitoring							
The responsible organization for monitoring/ responsible person(s)							
Data on ambulatory care							
Name of mobile group							
Catchment area							

Number of population							
Number of patients served by the mobile group							
Data on patients							
Age	3-18		18-65			65 and above	
Gender	Female			male			
Diagnoses	F00-F09	F20-F29	F30-F39	F43	F70-79	F80-89	F90-98
Number of visits							
Number of patients served during the previous year							
Number of home visits per month							
Number of new cases during the last year							
Data on staff							
Number of staff members							
Number of psychiatrists							
Number of other physicians (please specify)							
Number of nurses							
Number of psychologists							
Number of social workers							
Others (please specify)							
Working hours of staff members per week							
Psychiatrist							
Nurse							
Psychologist							
Social worker							
Others (please specify)							
Budget distribution							
Total budget							
Medications (% of the total budget)							
Salary of a psychiatrist							
Salary of a nurse							
Salary of a psychologist							
Salary of a social worker							
Others (please specify)							
Care Assessment Scale (H — human resources, O — organizational Boundaries, S — services)							
	H			O			S
H1		O1				S1	
H2		O2				S2	
H3		O3				S3	
H4		O4				S4	
H5		O5				S5	
H6		O6					
H7		O7					
		O8					
Total score							

Note: H — human resources, O — organizational Boundaries, S — services.
